File No. Civ. 4-80-469 CD-RAP Section 3.3

Dear Project Leaders,

The City of St. Louis Park has prepared the attached "Revised Annual Monitoring Report for 2011" in accordance with the October 1, 2012 letter from U.S. EPA and MPCA. This revised report contains three new attachments that provide supplemental information. Future annual monitoring reports will contain a disk of all laboratory reports for the given year, as requested. The 2011 laboratory reports, which were appended to the original March 15, 2012 submittal, were not repeated in the enclosed document because there were no modifications to them.

You may direct any questions or comments to this office.

Sincerely,

William M. Gregg
Project Leader for the City of St. Louis Park
